In a village square, where men sit together

There was one who always came there and when he was

He put fat on his beard and moustache to make them shine.

Dumplings with meat, or fat tail meat.

He put fat on his beard and moustache to make them shine.

Some time ago:

A boy running and said: Daddy, the cat has stolen the fat which you put on your beard and moustache.

Came a boy running and said: Daddy, the cat has stolen the fat which you put on your beard and moustache.
